Patent

Dream lace

The Cinderella spins in the crystal shoes is dazzling on the dance floor, just as your inner dreams, exquisite, perfect, happy, and free.

Water hibiscus

When it's quiet, it's like a delicate flower that is reflected in the clear water. When walking, it is like a willow tree with a soft twig and leaves blowing in the wind. You know that I have different looks that all you loved.

Witch's home delivery

I am going to the bakery on the corner...packing all the donuts... I am going to the ice cream stand on the side of the road, eating all the tastes of ice-cream.

You all said that it was fake, but I know that happiness is true.
