• **UNIQUE AND COMPACT DESIGN.** This aroma diffuser is coated with wood grain, which makes it look very natural and primitive. With compact and portable design, the cap of the aroma diffuser is easy to take off, you won't bother to unscrew the cap with great force when your hands are wet. Just gently take off the cap, add water and essential oil, enjoy high-quality life.

• **LARGE CAPACITY AND GREAT MIST OUTPUT.** This aroma diffuser can hold up to 300ml of water and produce up to 30ml of moisture per hour. It can run up to 10 hours of continuous output. Automatic power off when water used up, which ensures safety.

• **SUPER QUIET.** Adopted ultrasonic technology, this diffuser is extremely quiet when working. It gives out ultra fine and smooth mist which can soften and moisten dry and chapped skin in winter. It also helps you breathe better when you are sleeping with air conditioner on.

• **ADJUSTABLE LED LIGHT.** You can choose among 7 colors between two mode: steady on/changing color. Each color is adjustable between bright and dim. The soft light creates romantic atmosphere which helps you escape the hustle and bustle of modern life.

• **TIME SETTING.** 4 time setting modes: 1 hour/3 hours/6 hours/steady on. Note: this is an essential oil diffuser, but you also can use it as a humidifier if you like

• **A Natural and Compact Design.** The aromatherapy essential oil diffuser features super modern wood grain looking similar to a beautiful flower-vase, which will go with any décor perfectly. Like a decorative piece, ideal for office, spa, salon, Yoga studio, child's room, physical therapy studios and any room you want aromatherapy

• **Large Capacity and Great Mist Output.** The ultrasonic essential diffuser holds 400ml of water in the tank to cover aromatherapy for 269sq. ft. and provide humidity area up to 215-293sq. ft. Furthermore, it can produce cool mist 30-50ml per hour with low or high misting modes to freshen the air in your room

• **Adjustable 7 Soft LED Light.** The aroma humidifier has 7-color LED light that can be cycled through or set it to one favorite color to match your mood. Additionally, each color has 2 light modes: either dim or bright. Use it on a desk or bedroom nightstand as a night light

• **Timer Setting and Safety Auto-off.** The wood grain aroma diffuser has 4 timer settings: 1H/3H/6H/ON. Choose a suitable one and create calm, comfortable ambience. Allowing for 7-10 hours working time, this air purifier has a safety system, which will be auto-off when water runs out of, no worrying about burning up
