Washbasin bowls

The most original of all washbasins is the bowl. What served once in the bathroom as a portable water container, sets today elegant accents. The washbasinbowl embodies a timeless chapter of bathroom culture.

A good quality

of life depends on comfortable living experiences. We hope that bathroom will give you a break in your daily life and make your overall bathroom experience a time which you look forward to.

It is said that the sanitary ware of 20th century were originated from Europe with a luxury style, and swept the world. The simple, water-saving sanitary ware of 21st century rose from the Orient, and were accepted quickly all over the world. Even the modern noble design is characterized by the simplicity.
