Product specifications

- Product dimension : 26.5cm*21cm*29.2cm
- Product material : Plastic and stainless steel
- The product weight : 2050g
- The product capacity : 3.8L

Product features

- Support IOS and Android App
- Customize Meal Size & Time
- Low battery reminder
- Manual feeding function
- Batteries operated supported
- 3.8L food container
- Infrared Detection Design
- Low food alarm
- Removable steel stainless food bowl

A36

Automatic Pet Feeder

Product specifications

- Product dimension : 26.5cm*21cm*29.2cm
- Product material : Plastic and stainless steel
- The product weight : 2050g
- The product capacity : 3.8L

Product features

- Customize Meal Size & Time
- Recording/Remove Voice
- Low battery reminder
- Manual feeding function
- Batteries operated supported
- 3.8L food container
- Infrared Detection Design
- Low food alarm
- Removable steel stainless food bowl

A68

Automatic Pet Feeder

Product specifications

- Product dimension : 26.5cm*21.5cm*35cm
- Product material : Plastic
- The product weight : 2000g
- The product capacity : 7L

Product features

Customize Meal Size & Time,
Recording/Remove Voice, Low battery reminder,
Manual feeding function, Batteries operated
supported, Infrared Detection Design, Low food
alarm, Removable steel stainless food bowl
