COMPANY PROFILE

DONGGUAN TIANYI STATIONERY CO.,LTD was found in 2003. We have been growing successfully

throughout pass years and built our reputation in worldwide stationery industry. We keep up-to-trend with the stationery field and work closely with our in-house R&D department and most importantly with our clients in order to build the best 4P's (Product, Price, Promotion and People).

We are able to meet International Standards in various aspects:

- ** ISO9001: We follow the guidelines of ISO9001, which guarantee our products quality.
- ** BSCI: Business Social Compliance Initiative - Its founding was established as a response to the increasing business demand for transparent and improved working conditions in the global supply chain.
- ** Environment Protection: This is the most important worldwide value in recent years.
We build recyclable system in using energy and water.

We develop ,innovate new items every year. OEM project is warm welcomed.

Your Satisfaction is Our Eternal Pursuit.
