

娜娜贸易

Supplying High Quality
Functional And Durable Fence

河北娜娜贸易有限公司
Hebei Nana Trade Co.,Ltd.

Hebei Nana Trade Company Ltd. is a professional fence production factory founded in 2005. For more than ten years, with trusted quality and better after-sale service HEBEI NANA has been struggling to produce the fence, gate, wire mesh other hardware products(such as the hooks, timber connector, weed mat pins) and the camping accessories (such as the tent pegs and poles, roof riser and cloth airer).

Equipped with high-precision and high-speed machines introduced from abroad, our factory commit itself to produce high qualified products completely according to ISO9001. Except the adoption of modern technology, our experts and designers team all the time specialize in the innovation of our products in order to keep our goods in the leading level.

We can produce every kinds wire mesh, metal guardrails, Garden fence and gate, farm gate and other hardware products according to our customers' demand.

Our Company's aim is "Quality is the life; Design is the soul; Service is fundamental.
