YOUFU BEST TOOLS FOR YOUR REPAIRS

ABOUT US

YOUFU Tools offers our customers with one stop solution OEM service. Everyday, the YOUFU follows the company philosophy of "Excellent Services, Great Products". We keep pace with international trends in technique; always providing our customers with the best quality products and meticulous service.

We have advanced production machine and efficient production line to make sure excellent quality and reasonable short lead time for large quantity orders. We have ourselves factory. "UF", "Kingsdun" Hard-ware Plastic Factory a professional development, production of hand tools Hardware Products Factory, located in Chenghai, Shantou, Guangdong, covers an area of up to 5,000 square meters, has a strong technical force, advanced production equipment. "Kingsdun" Tools uphold excellence, pioneering and innovative spirit, adhere to the principle of eleven, keep pace with the development of China's telecommunication tools & hardware & power tools, continue to grow.

FACTORY PRODUCTION CAPACITY

SALES NETWORK

Surpass self
Developing future
Sincerely cooperation
Thriving Customer

U-friend tools created over the years, is committed to providing comprehensive cost-effective products for clients, customers, and Faith moves mountains and Jinghe Seok machinery sold throughout the country and exported to overseas, product marketing network and after-sales service network continues to expand and improve, to provide professional services to customers.

KS-882025 Light-emitting Electric Screwdriver

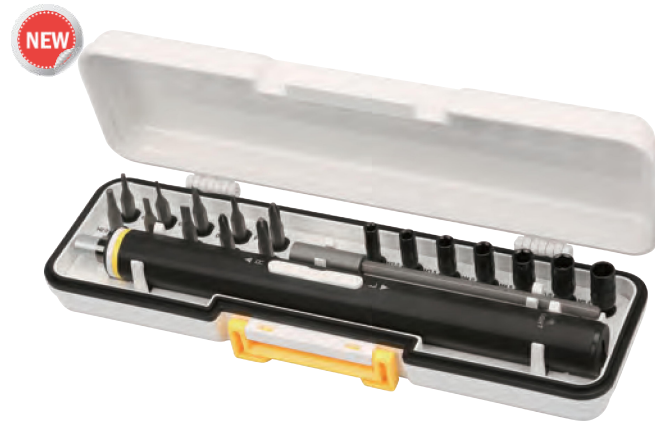

Product Detail

Product Model: KS-882025 Battery voltage: 3.7V DC No-load speed: 150RPM
 Battery type: Lithium battery Charging time: 45min Weight: 780g

KS-400464 Hot Glue Gun

Product Detail

- Ergonomic design and suitable size make it comfortable to handle and use
 - Flexible Trigger High Temp Overheating Protection
 - Heating up Quickly Hot Melt Glue Gun for DIY Small Craft and Quick Repairs
 - 15/25W Dual Power
- Operation is show
- 1.This series product can use the diameter from Φ7.0mm to Φ7.5mm of the melt glue.
 - 2.Insert the gum from the glue gun tail ,sent to the gun tube,put on the power supply to preheating from 5 to 8 minutes,button up to move the trigger and can extrude the metal glue, and can coctrol the melt glue quantity.
 3. While it's working ,if the melt glue is inexhaustibility in one time ,then the melt glue need not take out.Put on the power supply to preheating
 5. to 8 minutes when it using next time

KS-D586 SMT Rework Station for Electronic Industry

Product Detail

Power Consumption:	630W
Temperature range:	100~500 C
Voltage:	220V/110V
Material:	esd

- Two-in-one design saves space
- Built-in advanced microcomputer
- Enough power warms up quickly

KS-D590 Digital Display Soldering Iron Station For Repair

Product Detail

Voltage	AC100-240V/50-60HZ
Temp.Range	180-450°C/356-842°F
Max.Power	50W
Temp.Stability	±2°C
Tip to ground resistance	<2Ω
Tip to ground potential	<2mV
Soldering iron handle	LF005/LF007
Heating element	T12/T13 heating element

- 1.Simple design and portable, Adopt trinity digital display
- 2.Smart portable design,saving working space,no fatigue for long time use
- 3.Heating element plug-in design, reasonable structure, simple replacement
- 4.Needn't professional knowledge , ordinary employees can replace the heating element
- 5.The composite tip integrated with heating element and sensor offers improved thermo recovery
- 6.Suitable for various soldering from IC modifications to soldering to power sections.

KS-P310/P305 Switching Regulated Power Supply Digital

Product Detail

- Output voltage: DC 0-30V Continuous adjustable
- Output DC Current: 0V - 5A /10A
- Overall efficiency: ≥89%
- Display resolution: voltage: 0.1V , current 0.01A
- Voltage and Current adjustment
- Voltage regulation: CV 0.1% + 3mV, CC < 0.5% + 6 mA
- Protection: High current limiting and cooling fan
- Load stabilization: CV 0.5% +1mV / CC 0.5% +3mA
- Ripple and noises: ≤ 0.5%V P-P
- Cooling way: Intelligent temperature control fan.
- Dimension: 8.8x 3.2x 6.5 Inch
- Unit Weight: 3.2pounds

KS-9012 Portable Table Top Lamp

Product Detail

- LED energy-efficient magnifying lamp,LED Electronic -saving lamp economizes on electricity by 50%~80%than the traditional illumination , response time for receive second grade, have't harmful metal mercury ,stability .
- Magnifier lamp offer a portable solution to viewing anything small
- Zoom:5x 8x
- Multifunction base ,you can put some tool inside, save the space.
