# TECHNOLOGY 技术优势

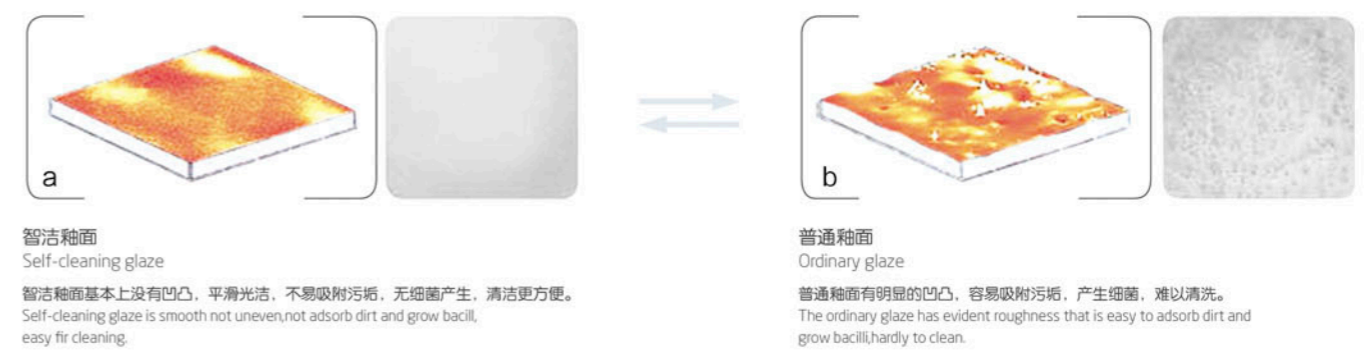

利用纳米技术开发的纳米陶瓷材料是指在陶瓷材料的显微结构中，晶粒、晶界以及它们之间的结合都处在纳米水平（1~100nm），使得材料的强度、韧性和超塑性大幅度提高，克服了工程陶瓷的许多不足，并对材料的力学、电学、热学、磁学、光学等性能产生重要影响，为替代工程陶瓷的应用开拓了新领域。

纳米陶瓷的特性主要在于力学性能方面，包括纳米陶瓷材料的硬度，断裂韧度和低温延展性等。纳米级陶瓷复合材料的力学性能，特别是在高温下使硬度、强度得以较大的提高。有关研究表明，纳米陶瓷具有在较低温度下烧结就能达到致密化的优越性，而且，纳米陶瓷的出现将有助于解决陶瓷的强化和增韧问题。

By use Nami technique to exploit Nami ceramic material means in the surface of ceramic material fabric, small grain, grain circles also the link space of both all under Nami level (1~100nm), then make the intension, tenacity, and model of material improve quickly, conquer the lack of project ceramics, also bring important infection in mechanics, electricity, calorifics, magnetics, optics ..., exploit a new domain for substitute project ceramics.

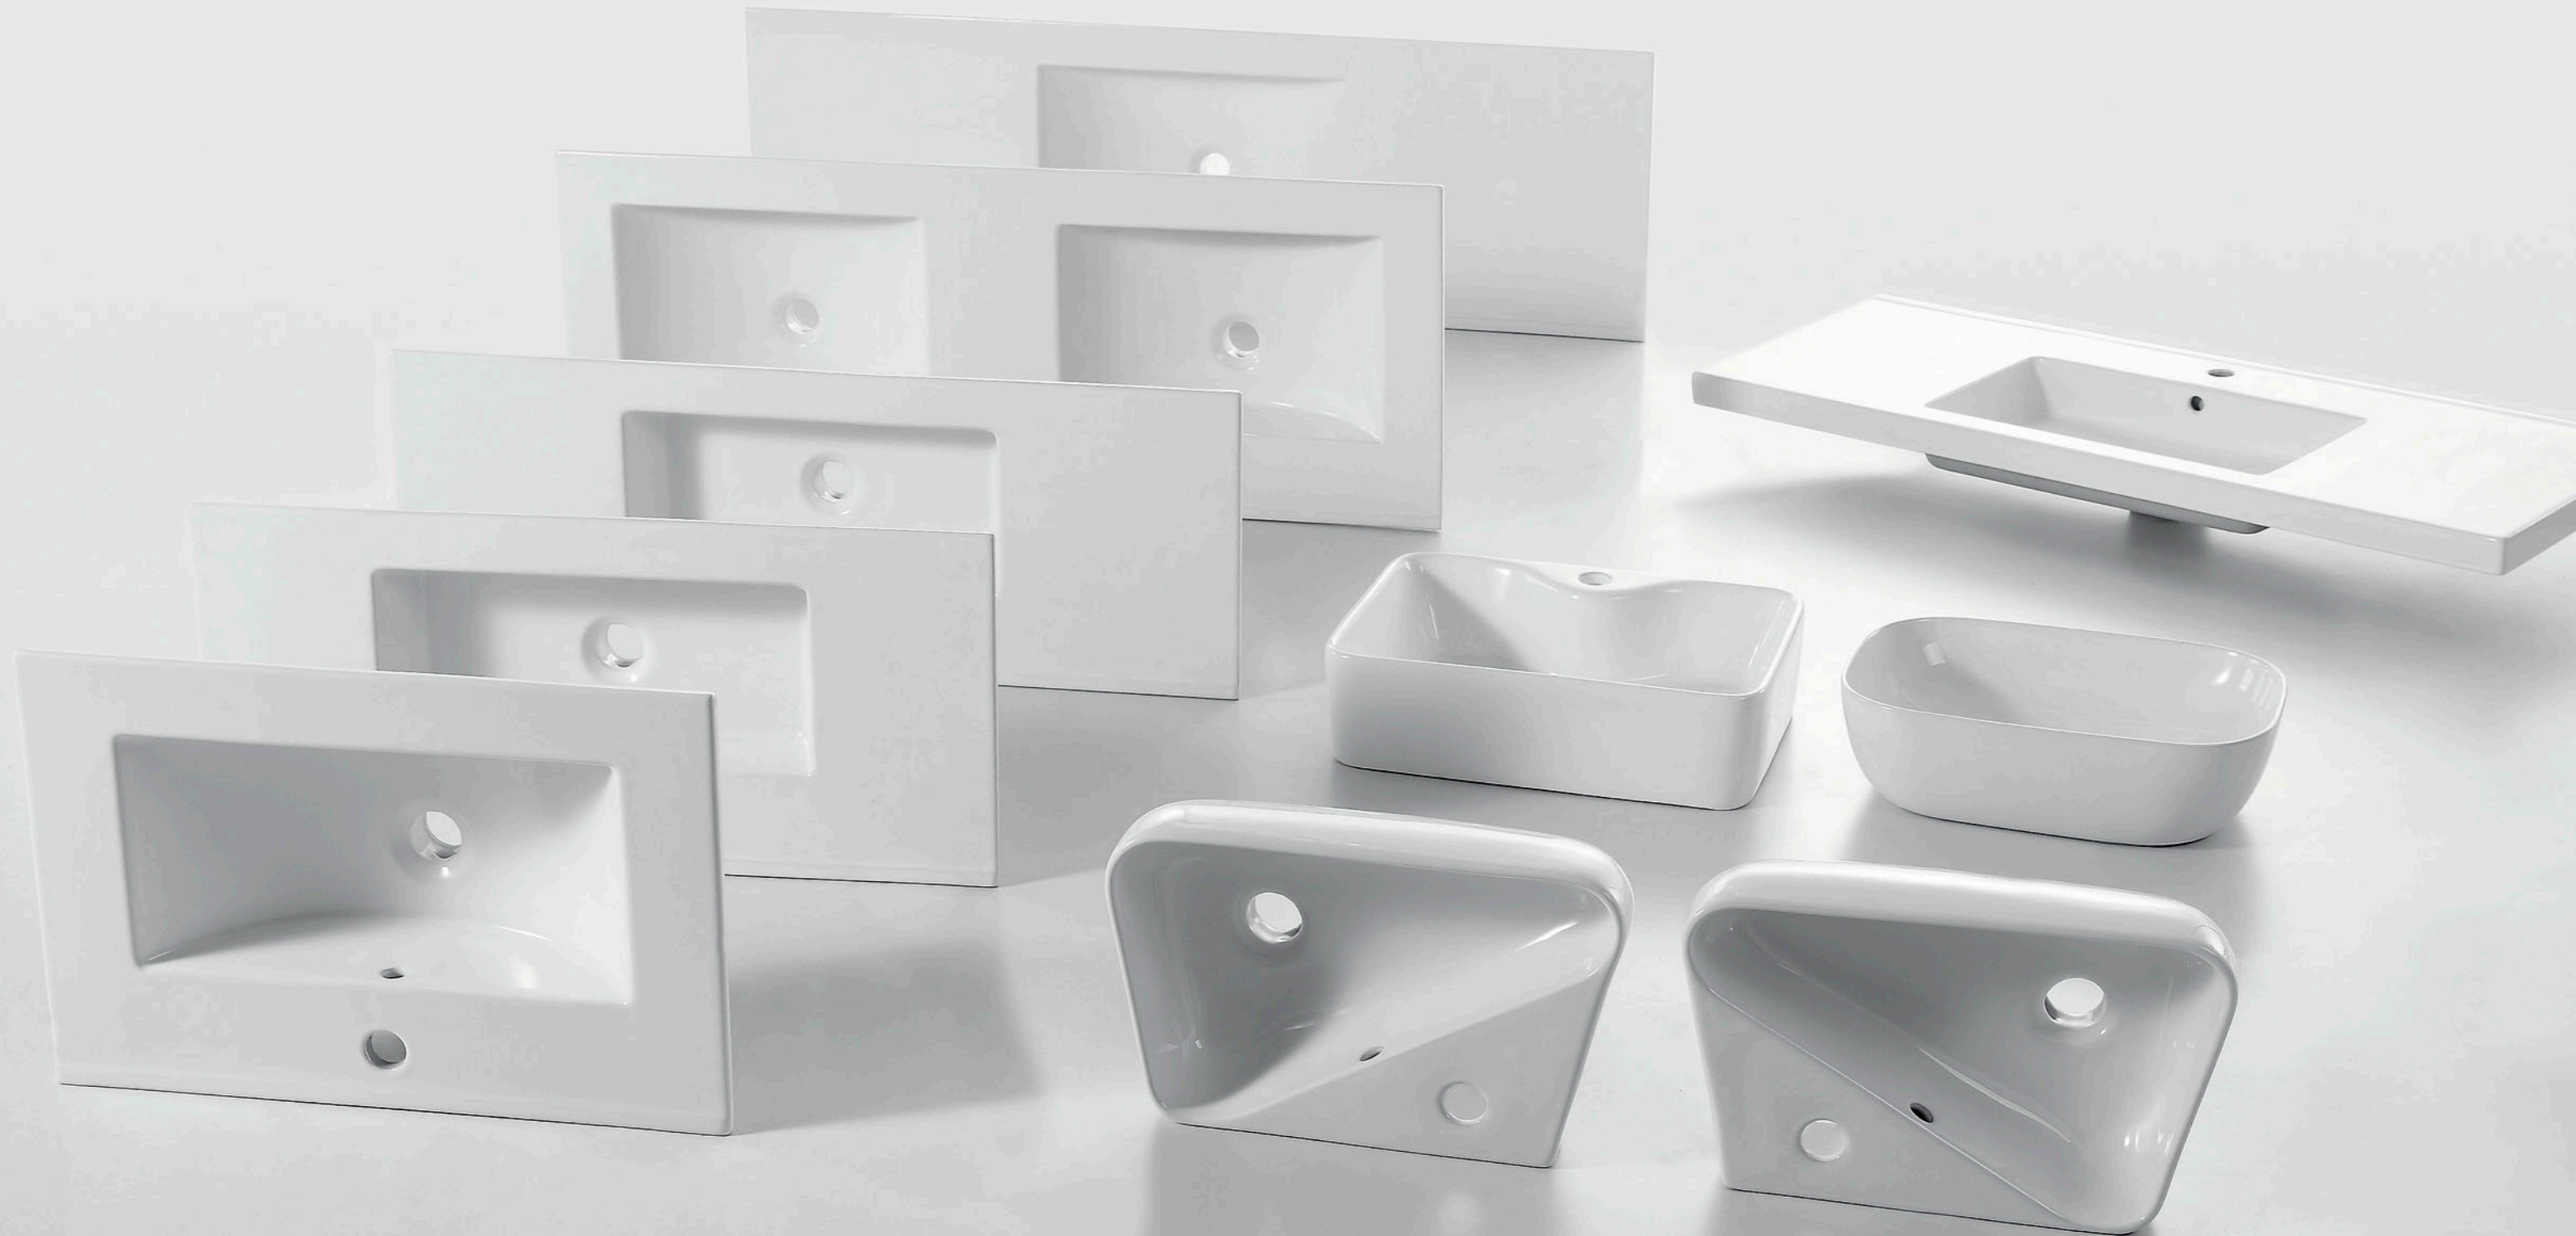

The speciality of Nami rests with mechanics function, including rigidity of nami ceramic material, part temper and low temperature ductibility and so on. Nami ceramic compound mechanics function, especially under high temperature improve rigidity and intensity. The relative study indicate that Nami ceramic hold a superiority for under low temperature can reach precision, also Nami ceramic will help to solve ceramic strengthen an tenacity problem.

# PROFESSIONAL

The style of modern and advance,  
which is the choice for the youngling,  
in the bathroom, whatever it's disposed with the pithiness,  
or with the originality,  
only the artful cleaning tools,  
can bring the brightness to the life.

Both concise  
**LINES**  
and pure  
white mold  
the style of  
modernism

# LINDA SERIES

Our eye-sight towards fashion brings sensitivity and creation into sanitary wares, and build up new manner in brief, bright and smart style. The current beauty shows peace and freedom beyond noise, but not extrinsic splendor or piling up ideas.

## DETAILS ARE POETIC EXPANSIONS OF DESIGN

The concise design keeps a suitable "grey area" to reach our demands for such an area: strong and cold lines, smooth floors and walls, quick and sharp decorations. Such a concise bright design suits our modern life very well, it sets up a quiet bathing area and relaxes us completely.

## TO SHOW ELEGANT LIVING TASTE

**LINDA 75** Size: 760x465x175mm

Cabinet Basin  
Sanitary ware of vitreous china  
Pattern of environmental protection

Sanitary wares are to certain space as romanticism is to certain woman, many stories in our life make a finishing point at sanitary wares. Stories are always soft and light when we are relaxed, especially when we fall deep into our own sanitary wares.

Our love for forms shows our attitude towards the world. The sanitary wares forming with line patterns and geometrical patterns bring pure character, and fondle admiringly.

# ETNA SERIES

This design shows a calm and peaceful style without any inflation. Its simple shape and light colour seem to tell the stories of the past, whirling in the heart of the owners...

# ETNA SERIES

## CHALLENGE TO LIVE IN QUALITY

All manufactures get on well with each other to build up perfect room, and they create a large variety of changes to adapt different demands for room.

Our artistic feeling seems more and more personal, to wise customers, simple shapes are rarely less important than enjoyment and easiness of organs and bodies.

## FASHION OF NEW-IDEALISM

We prefer characteristic designs to simple ones in modern times. The appearance, more or less, simple or complicated, new or old, enriches the designs, and it comes up to common demands. Through different contents and forms, affections are introduced into designs to wash the function of material, and get on well with life.

Fly freely between love and dreams. Only the appearance can perfectly describe the colorful meanings and imaginations either from ancient civilization to the brilliant period of ceramics, or from living area to artistic taste.

The anatomy of the graphic below

# MARBLE SERIES

## HEALTH FASHION AND ENERGY

Designers have been crazy about designs since the industrial project. Sanitary wares in different designs are popular and the appearance has been a standard for the fashion.

Beauty will appear once the essential elements are simplified. Characterized by such simplicity, GOALAR creates classic and leads a wonderful life in the new century. Simple lines and proper designs bring you some elegance and simplicity.

## FASHION COMES TO MEET CLASSIC

Concision does not mean briefness, concision is the pick of the basket that high quality is assembled together to give up disadvantages, subjective form in highly-concentrated summary. The new conception use new material, new technology and new way to unite new ideas and new thoughts instead of traditional fashions and styles. It unites people's new ideas and lead us to a human compass. Concision is a rule of the nature, it's soul of the culture and character of the people.
