Yangjiang Junchang Trading Co., Ltd

Covers the area of 15,000m² in the coastline-city of Yangjiang, Our factory has been dedicating ourselves to do business with many expert clients and supermarkets or chainstores, like famous Wal-mart, Kohl's, Tesco, Target, all factory -audited us. Besides, we are also BSCI & Sedex factory-audit qualified. Through those years of partnership-cooperative business with our clients, we have rich experience and advanced technology in producing mid-high-class BBQ items, with guarantee of the quality and on-time delivery as well as the hospital service. All of our products could pass FDA or LFGB food contact safe standards and every innovative and creative idea from you could be welcome.

Look forward to building up long-term and friendly cooperative partnership with my friends from all around the world.

With the satisfied quality, we have developed some mutual-trust customers, we are proud to introduce them as:
