&

2 x Heavy Duty Shelving units 1800mm H x 900mm W x 450mm D

Purchase Solution

Based on 1x20GP container

90x45x180cm shelving : 620pcs

90x45x180cm corner shelving : 180pcs

Total Weight : 20296kg

CORNER SHELVING

A: The Corner Racking provides extra storage space by utilising corners which won't allow for wider shelving units. This ultra-robust racking is ideal for storing a wide range of items including tools, books, paperwork, folders and files and clothing.

B: Please note this corner shelving unit can only be attached to our 5 Tier Racking to complete a corner and create a larger storage system.
